

# Stopless Coin (\$STOPLESS) Whitepaper

## Introduction

Stopless Coin (\$STOPLESS) is a bold, community-powered meme coin built on the Binance Smart Chain (BSC). With one mission — never stop growing — Stopless Coin is powered by reflections, fueled by believers, and made for degens who dare to ride the wave of unstoppable momentum.

## Mission

Our mission is simple: to create a meme coin that defies the odds, embraces the spirit of community-driven growth, and provides holders with rewards and long-term engagement. Stopless Coin stands for resilience, humor, and the endless pursuit of value creation.

## Tokenomics

Stopless Coin is built with a straightforward tokenomics model designed to reward holders and fuel community initiatives. Key aspects include:

Feature	Details
Ticker	\$STOPLESS
Chain	Binance Smart Chain (BSC)
Reflections	Rewards distributed automatically to holders
Community Driven	Governance and growth powered by the community
Liquidity	Portion allocated to strengthen Stopless ecosystem

## Roadmap

### ***Phase 1 – Fair Launch & Community***

- PinkSale Fair Launch
- Build strong Telegram & X community
- Activate reflection rewards (2%)
- Anti-whale system live

### ***Phase 2 – Listings & Growth***

- CoinGecko & CoinMarketCap applications
- First Big marketing campaigns

- Community shilling events
- Partnerships with influencers

#### ***Phase 3 – Expansion***

- More centralized exchange listings
- Aggressive marketing pushes
- Holder-driven governance proposals
- Community contests & rewards

#### ***Phase 4 – Future Utility***

- Explore utility ideas from the community
- Possible staking/farming integrations
- Long-term project sustainability

## **Community & Vision**

Stopless Coin thrives on the energy of its community. Holders are more than investors — they are the lifeblood of the ecosystem. Through shared memes, grassroots campaigns, and collective decision-making, Stopless Coin aims to establish itself as a cultural and financial movement within BSC and beyond.
